**THE CONTINENTAL PRAYER FORUM
NOVEMBER 2009 - TIMISOARA
INVITATION**

Dear Friends,

Greetings in the wonderful Name of our Lord Jesus Christ!

We would like to invite you to participate at the Continent of Europe Prayer Forum in Timisoara, Romania from 23 to 27 of November 2009.

Following the successful Prayer Forum in November 2008, the Continent of Europe (called by some Beulah) Prayer Forum this year is planned to interact again with a Prayer and Fasting Conference of the watchman of Romania. We are expecting around 100 International Prayer Leaders and 2,500 Romanian watchman and especially young watchman.

It will be a time of prayer, to listen to the Lord together and hear what He would have us do on behalf of the Continental Prayer Movement. We believe He will bring healing and transformation to our continent as we connect with one another and mobilize prayer for our nations together. It will be a time for continued networking, building relationships between prayer leaders and networks. Will be a time to strategize for revival in our nations and plan future events, such as the Global Day of Prayer 2010 and other global prayer events. A time to understand what are the global issues facing the Church through case studies and presentations of what is happening in the prayer movement worldwide and especially in our own continent.

It is obvious that our Continent is in desperate need of God's mercy and grace; God is clearly shaking everything that can be shaken, therefore, it is time to once again bring together brothers and sisters from across this continent to pray together, learn from each other, encourage and build one another up.

We hope also that a significant number of the World Prayer Leaders from International Prayer Council, Global Day of Prayer and International Fellowship for Transformation Partners will participate.

Believing that "with God all things are possible", a prayer forum is an internationally coordinated, united prayer effort for the holistic transformation of a region and the nations that are contained in it. It is holistic in that informed prayer is focused on Continent wide and national needs whether they are in the social, political, economic, ecological or spiritual realms. Such needs may be ethnic conflict, war, political oppression, economic corruption, exploitation of the poor, religious persecution, or the need for spiritual renewal due to laxness or division in the church. As people come together to seek the Lord for their nations, He promises to bring healing, forgiveness and restoration (2 Chronicles 7:14; Is. 41:17-20; Ez. 36-37; Rev.22:1-3).

This forum is open to all the Prayer Leaders of our Continent and the World and especially for the young watchman. We emphasize the participation of the young watchman because in many nations Revival started among the young generation.

If it is going to be impossible for you personally to attend, then we will be glad to have your nomination for other persons to come in your place.
