

*“Prayer moves the Hand of God. Once there is sustained, strategic, and informed prayer for the 10/40 Window, we will witness massive numbers of unreached people coming to Christ. Pray that this will happen in our generation.” Beverly Pegues*

Why pray for the 10/40 Window? Consider these alarming trends that take place there:

- Major acts of terrorism committed during the decade of the 1960s can be summarized in less than a full sheet of paper. Those carried out in just the first nine months of 2009 take up dozens of pages. Terrorist bombings and attacks have become a daily occurrence – especially in such 10/40 Window nations as Pakistan, Somalia, Iraq and Afghanistan.
- According to recent studies, Islam is the world’s second largest religion and is growing faster than any other. Approximately one out of every five people on planet earth is Muslim. The vast majority of the world’s Muslims live in the 10/40 Window, with Indonesia being the most populous Islamic nation.
- In 2009, the number of hungry people in the world passed one billion for the first time in history. The global financial crisis set off a wave of unemployment, lower incomes, and caused food prices to soar. The 10/40 Window region of South Asia has been the most effected, leaving some 642 million undernourished.
- Open Doors estimates that “100 million Christians around the globe are currently suffering for their faith.” The persecution they face takes the form of discrimination, loss of jobs and homes, physical abuse and attacks,

arrest, detention, imprisonment, and even death. Forty-four of the fifty nations deemed the worst persecutors of Christians in the world are in the 10/40 Window.

These events, along with the fact that most of the world's unreached and unevangelized people live in the 10/40 Window, should spur us to a more dedicated and fervent level of prayer.

As Beverly Pegues, president of Window International Network, once noted: "Prayer moves the hand of God. Once there is sustained, strategic, and informed prayer for the 10/40 Window, we will witness massive numbers of unreached people coming to Christ. Pray that this will happen in our generation."

It is clearly time to take our positions as watchmen on the wall, endeavoring to give God no rest in prayer until He establishes the nations, peoples, tongues and tribes of the 10/40 Window as a praise in the earth.

To assist in these efforts, Window International Network announces the release of the Newly Revised Edition of the *Praying Through the Window 9: Global Terrorism and World Religions* prayer calendar. Statistics have been updated, information added, and prayer points provided to enable you to pray strategically, specifically, and continuously for this highly contested part of the world.

Order your *Praying Through the Window 9: Global Terrorism and World Religions Revised Edition* prayer calendar *TODAY*. Join us in the fight to be fought and won in prayer for the "Final Frontier of Missions" – the 10/40 Window. We must travail in prayer until the Gospel has been preached to the most unreached peoples of the world.
