PASSOVER TO PENTECOST 2021 REVIEW

10 DAYS

## INTRODUCTION

It's our desire to see a massive full-scale revival and awakening erupt in the nations of the earth! We have been asking for another historic move of the Holy Spirit, a **Gospel Explosion** to sweep across the globe and awaken a generation to wholehearted love for Jesus!

*"For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea" (Hab. 2:14).*

Despite the challenges that we are all facing with the pandemic, we are seeing massive numbers of people coming to faith in Jesus Christ, gospel movements emerging in the nations, and disciple-making churches being planted in unreached areas. Since launching this collaborative effort in 2020 of prayer, mission, and church leaders partnering together, we have seen **20 million new Jesus followers** added to the church!

Our theme for 2021 has been 'Hope for the Coming Harvest.' As you read through these firsthand reports, you will be encouraged to see evidence of this global harvest emerging in the nations. This year we estimate approximately **70 million believers** were mobilized in united prayer partnering together with **50 million believers** sharing their faith from Passover through Pentecost!

It has been astounding to watch so many come together in an expression of John 17 'oneness' across nations, denominations, and generations for the fulfillment of the Great Commission. **Only Jesus gets the credit.** He is the One who is leading the global prayer and mission's movements. May the Lord continue to knit our hearts together as 'family' growing in love for one another, centered on the gospel of Jesus Christ, and grounded on the authority of God's word! May we continue to see a global Christ-awakening in the nations of the earth, as prayer is prioritized, believers are mobilized, unity is maximized, and communities are gospelized.

**GO MONTH**

## INTRODUCTION

It's all about a Christ-awakening, where the Spirit of God uses the Word of God to reawaken God's people back to God's Son for all that He is! We want to enter into the power and pleasure of being obsessed with the magnificence of Jesus. He is the dominating personality in this age and in the age to come!

God is truly bringing us into a 'decade of harvest.' One of the goals that we launched in 2020 was to see 100 million in united prayer for a 'billion soul harvest.' During the month of May this year millions were praying and sharing their faith around the world in partnership with the Go Movement.

Thank you to all those who have served, prayed, worshipped, and collaborated in these various Spirit-led, Christ-exalting, prayer and evangelism initiatives!

**WHAT AN AMAZING SEASON FROM PASSOVER TO PENTECOST 2021!**

*"May the Lamb who was slain receive the due rewards for His suffering."*

# GOOD FRIDAY WORLDWIDE BROADCAST

Good Friday was a global outreach event focused on sharing the good news of Jesus. It was broadcasted across the world from sunup to sundown April 2nd and was hosted by Pulse - a movement aiming to bring the hope of Jesus to the next generation – whether it's through live events, livestreams, local revival gatherings, raising up leaders, or creating digital resources.

## *A few highlights:*

- Over 180 million people viewed the broadcast
- Over 1.1 million people responded to the gospel
- 506 host sites
- 39 languages
- 186 countries, 24 territories

The broadcast was taken into prisons and people were responding to Jesus. It is believed that the program was taken to other areas that the organizers are not aware. There were many other TV stations that picked it up and the reach just continued to multiply. There were many individual testimonies that were received of people watching the program and then going to church the next day; kids watching the program, choosing to follow Jesus and then leaving the streets and wanting to be cared for.

YESHUA FAST

# YESHUA

FAST 2021

Like the Spirit drove Jesus into the wilderness for the 40 day fast (the biblical era shifting fast) that inaugurated the first great Jewish harvest of souls, there was a sense that this 40 day Jesus (Yeshua) Fast April 14th – May 23rd (Pentecost Sunday) was a tipping point for a new day of salvation for Israel and harvest in the earth.

The Yeshua Fast was hosted by Lou Engle Ministries.

**10,000** plus prayer warriors from across the globe were a part of these 40 days of prayer fasting for Israel and the Great Harvest.

The ***Israel Virtual House of Prayer*** was also birthed during this time as thousands logged on for ***24/7 prayer for Israel***.

# World Prayer Together | GO PRAY

**GO MONTH** was launched with a global day of prayer on Saturday May 1st, 2021 which was aptly entitled **World Prayer Together | GO PRAY**.

It was headlined with a 2-hour programme consisting of live worship, prayers for **GO MONTH** plus all-age focused prayers for the nations and unreached peoples of India, China and the Middle East. The International House of Prayer - Kansas City kindly hosted the event with a number of respected prayer and mission leaders taking part.

**World Prayer Together | GO PRAY** was broadcast prime time on **GOD.TV** at 7.30pm in each region and repeated on Saturday 8th May. **GOD.TV** has a global reach of 300 million households in 200 countries. The programme was re-broadcast on digital tv in Finland, Romania and Latin America in English, Spanish and Portuguese increasing the potential reach by an estimated 80 million households. Additionally, the programme was livestreamed from IHOPKC and viewed with subtitles in 33 languages online.

The program was dubbed in ten languages with translated prayer guides and information on custom landing pages. A global social media campaign reached 3 million people.

The team were encouraged to hear from a number of church and mission organisation leaders who had committed their members to be watching the broadcast and to each be praying for 5 souls during May! These groups alone represent 70 million people.

The program host, Dr Jason Hubbard, Director of International Prayer Connect said, 'It was humbling yet amazing to have people taking part from every continent, right around the globe, committing to pray for GO MONTH. I am sure that despite the challenges that we are all facing, the fields are indeed ripe for this season of great harvest in the spirit of Luke 10:2!'

# SHAVUOT GATHERING

During the Shavuot Gathering, thousands around the globe had the privilege of standing with and hearing from our family in **India and the Middle East**. The enemy has brought turmoil to these regions, but the Lord will bring beauty out of ashes. Where the world is seeing destruction, we declare resurrection. Where the spirit of death has been prevalent, we speak abundant life. During our time together we felt the Lord release an atomic bomb of love over us. This love is washing, healing, and transforming our nations through the release of His Spirit and the power of His Kingdom.

In light of the conflict happening in the **Middle East**, we choose to rise up and speak from a higher Kingdom perspective. Ishmael came out of the womb of Hagar the Egyptian. Egypt, as the mother of the descendants of Ishmael and all who identify with his spirit, holds the authority to call home her descendants. The orphan spirit that has long plagued the Arabs must be broken. It is time for the restoration of the house of Abraham. During this gathering, a deep longing was released from the heart of Egypt to call home the sons of Ishmael. There is no other hope except through love, forgiveness, and reconciliation.

During the Shavuot Gathering, a pure sound was released to call forth blessing over the children, the orphans, and all those who were suffering in India. Devastated by the recent wave of the pandemic, we stand with our family in India in unrelenting prayer. We lift up the name of Yeshua and intercede for the healing and revival of this beautiful nation. The heart of the family is that none will be left behind. We ache with India, may her pain become our pain.

# TEN DAYS OF PRAISE

We heard many expressions of thanks, joy and blessing during the Ten Days of Praise facilitated by Waymakers, Jericho Walls International, Global Voice of Prayer and many others.

The Ten Days of Praise was designed to deepen and strengthen prayers of praise as a prelude to the March for Jesus, offering expressions of biblical praise to the ascended, glorified Lord as the Lamb of God. The theme of the March for Jesus was the exalted Lamb, worthy of the worship of the nations. The praise guide was freely distributed in electronic formats in Asia, Africa and the Americas. Leaders from several countries reported that the biblical exaltation of Christ helped people from different churches to unite in passionate prayers of hope for Christ to be glorified among the nations. The praise guide was translated into Spanish for wide distribution in several countries in Latin America. Leaders in several African and European countries encouraged many from different church streams to lift and focus their prayers on Christ.

"We felt so lifted up by declaring and praising the Name that is worthy. We definitely want to do this again!" – Comments from India group praising Jesus 24/7 during the 10 Days. We experienced such a positive and uplifting time of prayer during these 10 days across the nation. More than 80 local prayer networks and groups in various communities participated. Most of these groups would literally be praising Jesus in one hour shifts around the clock. These 10 days also added momentum to seven regular weeks of prayer for revival throughout the year.

We also felt that Jesus was drawing many souls into His kingdom during this time of praise. The following verse stood out:

***"After this I will return and rebuild David's fallen tent. Its ruins I will rebuild, and I will restore it, that the remnant of men may seek the Lord." (Acts 15:16,17)***

May the Lord continue to raise up even the younger generation to praise Him day and night.

May 13th – 22nd 2021  
10 DAYS PENTECOST

During the 10 Days leading up to Pentecost (May 13-23), 10 Days partnered with the Global Family 24/7 Prayer Room to host increased **24/7 prayer via Zoom**. Four daily teachings were hosted as part of prayer time as a way to encourage and build up the intercessors with anointed leaders from all 6 continents. Many of these teachings were very anointed and impactful, and the cumulative effect was very powerful. Various *in person* 10 Days Pentecost gatherings took off in various locations including Colorado, Dallas, and especially in Pakistan where 15 locations joined in separate from the Zoom. We were amazed as God multiplied prayers during this time, no doubt much beyond what we can currently see.

***Testimony from Indian Pastors on 10 Days Pentecost:***

“During the 2 hours we prayed with great intensity for India - as India was going through great despair with Covid - and in the church there was great sadness and mourning for many Pastors who lost their lives due to Covid. But the Indian pastors and church leaders who join said that in this adversity, God has encouraged the church in building the spiritual strength of Pastors and prayer warriors, there has been much prayer and fasting during the Pentecost period, much united prayer on Zoom. Church leaders put aside their differences to join together in prayer - for God’s hand to move in India and prayed in unity for Salvation for India. And God has answered their prayers - there has of recent been a substantial reduction in Covid numbers, and they are working together in a unity which they did not have before. They are also joining together to reach out to their communities and offering food and help to the community. And the Zoom prayers of Pastors and leaders joining together from different cities in India is continuing. Last 2 weeks when they have joined for prayer it has been so uplifting to hear their faith filled prayers of thanksgiving as they are praying with hope for God to open hearts and minds in India.”

# MARCH FOR JESUS

The March for Jesus is a procession of praise through the streets of the city, celebrating the Lordship of Jesus Christ and culminating in a grand worship event in which Christians publicly proclaim the Glory, the Majesty and the Supremacy of the Savior. It's all about Jesus ... and nothing else.

The theme for March for Jesus 2021 was ***“Worthy Is the Lamb”*** drawn from Revelation 5:12. There was a sense that the church in specific and the nation of USA in a larger context is in desperate need of recognizing the healing and forgiving power of Jesus Christ. When John the Baptist saw the Messiah approaching the Jordan River to be baptized, he shouted “Behold, the Lamb of God who takes away the sin of the world” (John 1:29). One day the elders and the angels will shout in agreement with John as in heaven Christ is heralded as the Worthy Lamb. In May 2021, we experienced an aspect of this during the March for Jesus.

While most States in the USA still comply with the tail-end of Covid restrictions, ***38 cities in 20 States*** Marched for Jesus in their communities as a united expression of worship.

# PENTECOST GLOBAL BROADCAST & GLOBAL DAY OF PRAYER

*"I was so aware of Holy Spirit's presence from the beginning of this. I continued interceding almost the entire time and we continued praying afterwards... The diversity of colors, cultures, languages, ages was the Kingdom and was powerful. We have to show this to the world because that is what the Kingdom of God looks like. When all of the languages and ethnicities hear and see their heart language being spoken, Holy Spirit shows up..." Stephen Goode, YWAM Asia*

In addition, many exciting reports were received concerning **Global Day of Prayer events** being hosted in different parts of the world, including the **Philippines, Australia, Brazil, Germany, USA, Namibia** and many other parts of Africa.

In Brazil, it was reported that around **140 denominations and mission agencies** participated in Global Day of Prayer 2021, with **240 hours of non-stop prayer**. On the last day they had a whole day meeting online with well-known Brazilian leaders sharing and praying, and reaching not only Brazil but many African Portuguese speaking countries and Portugal – truly dynamic!

GO MONTH 2021

# GO MONTH

*Over 50 million Christians worldwide participated in GO Month 2021*

## **GO TEAM**

Saved: 18,687,571

Mobilized: 46 million

Reached: 152 million

## **GO COALITION**

Saved: 80,430,933

Mobilized: 250 million

Reached: 1,5 billion

- Church of God Latin America mobilized 500.000 members for “One a Day”
- RCCG’s (Redeemed Christian Church) called their leaders to plant 10,000 churches
- Prayer in 97 Cities and in some countries where Christians are most persecuted
- GO Train with Rick Warren and others trained at least 7,1 Million believers
- GO Pray - World prayer together was broadcasted by IHOP and GOD TV

“First in 2020, by God’s grace, and with an increase in prayer and focus on evangelism tied to church planting movements the Lord blessed us with tremendous growth. Although the data is still being reviewed, the preliminary reports are that more than 20 million souls from the unreached world were added to the Kingdom! To God be the Glory! We are now a family of movements totalling approximately 3 million house churches and 60+ million Jesus followers!

In the 2021 month of prayer we were able to mobilize 64 million believers to pray and encourage one another to share their faith and begin discipline relationships with family, friends and loved ones. Our estimation is that the average would be each people sharing their faith with 5 people. This would be approximately 320 million people (taking into account there may be overlap with this number). So the most important number is that we were able to inspire 64 million Jesus followers to pray and share their faith during this season.”
