

UNITED, GLOBAL PRAYER & MISSION

PASSOVER TO PENTECOST 2020

“Look at the nations and watch and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told.”

HABAKKUK 1:5

● WHAT AN AMAZING SEASON FROM PASSOVER TO PENTECOST 2020!

In the midst of a global pandemic, we have seen a massive increase in prayer and unity in the body of Christ. It has been astounding to watch so many come together in an expression of John 17 ‘oneness’ across nations, denominations, and generations for the fulfillment of the Great Commission. Only Jesus gets the credit. He is the One who is leading the global prayer and mission’s movements.

May the Lord continue to knit our hearts together as ‘family’ growing in love for one another, centered on the gospel of Jesus Christ, and grounded on the authority of God’s word! May we continue to see a global Christ-awakening in the nations of the earth, as prayer is prioritized, believers are mobilized, unity is maximized, and communities are gospelized.

Thank you to all those who have served, prayed, worshipped, and collaborated in these various Spirit-led, Christ-exalting, prayer and evangelism initiatives!

“May the lamb who was slain receive the due rewards for His suffering”

A man in his 80's shared his #HopeStory. It now has over 15,000 views. The impact of his Hope Story on his own life has been incredible. Those that know him say it has breathed new life into him as he sees that he has a voice and a story to tell in his 80's that can reach the world!

TESTIMONY FROM ERIC WATT RUN MINISTRIES

"In the last 10 days of our prayer season one team reached an African village and learned that the people were disappointed because their mosques were empty due to the COVID19. The village leaders were encouraged to learn that the team would show a film that night to help people get closer to God. The word spread and everyone was excited. Hundreds of people came that first night and then as many as 400 -600 for four nights in a row.

The team finally announced that they needed to go to the next village and share the Good News about how to get close to God. But the village elder came forward and said, "Do not leave. Give us the names of the villages you want to visit. We will bring the people here. We don't want you to leave!" This is how the name of Jesus spread to 26 villages in Africa!

One night, all the elders of the villages came and requested that the JESUS Film be played five times a day just like the daily prayers in a mosque. But since it is impossible to watch the film during the day, the villagers and the team agreed that they would play the movie every 2 hours - five times during the night. Then just before every showing, the Imam would call out over the loudspeaker connected to the mosque. "Come, Come see JESUS Film! Oh, people come and see Jesus, the heavenly God."

In the next 10 days approximately 16,000 committed to follow Jesus as their Savior and are now in house churches."

*May we experience more fruit in the time ahead
as ministries across the globe continue to join
hands and form part of a nameless and faceless
move of God in our time.*
