The Awesome Potential of Nation-Changing Prayer: A Report on the Afghanistan Prayer **Initiative and Election**

World Weekend Of Prayer It was a privilege for me to be part of an international team that spent five days in Afghanistan to pray for the nation (March 25-30) and its historic

electionthat was about to take place on April 5. We arrived to the sound of big bomb explosions as the Taliban were trying to destabilize the election process by attacking polling centers and international observers.

On Friday afternoon, March 28th, when the international Christian community normally would have met for worship,

five suicidal Taliban attackers blew up a massive car bomb outside the venue and attempted to rush in and kill as many of the believers as possible. Our team would have undoubtedly been there as well, but, by God's mercy, the meeting had been called off for that day. However, nineteen adults and children were there for a tea party to welcome the new pastor. As the weapons fire began, when armed guards next door fired upon the Taliban, those at the tea party hid in a bathroom until the Afghan special forces rescued them. A woman and five children across the street were also protected during the attack and escaped without harm. All five Taliban extremists were killed or blew themselves up in the process and unfortunately two other Afghans were also killed.

This incident gave extra impetus to our prayer and we stayed up till midnight interceding that day with an encouraging sense of the Lord's presence and guidance in prayer. We also prayed with NGO workers and local believers and had other strong times of prayer within our team as the Lord led us to focus on various issues- the growth of the church, the election, the development of women and their rising status, the new generation and children in prayer, and of course the overthrow of the

Taliban and their violent extremism. It was an anointed and encouraging time!

Subsequently, one prayer initiative participant wrote about the election on April 5: "There were no problems at all. I think only on the Pakistan and Afghanistan border. So to sum this up, the election went very well. I understand there are a few reports of ballot stuffing, but very few. The Afghans I know are excited about the election. In the 2009

election, I was here and there were 2000 explosions in Kandahar City, this election there were no explosions...

Yesterday morning, as I was walking in the city, I felt like the Lord said it is a new day and that he was going to come and move mightily in this nation. I looked around and it was very clean air all day, no dust. I felt like this was a sign from the Lord for what he was bringing to this land. Interestingly, throughout the day, Afghans said that today was the beginning.

About 40 years ago there was a Christian church in Afghanistan, and it was destroyed by the government. Within 24 hours the government of Afghanistan was destroyed and has been in war ever since. We believe that since the (former) Islamic government or Taliban attacked the church here, it will be destroyed as well."

Another expat worker wrote to say: "The elections yesterday went fine. Huge turnouts, in spite of the threats by the Taliban, and in spite of the rain and cold. And no report of any terrorist attack on election polls! Some places ran out of ballots and had to look for more. You and your team were here at exactly the right time!!!"

What an awesome privilege and responsibility the Lord has put before us in praying for the nations! He stands ready to answer even a few intercessors banding together to listen and pray out His heart for their nation (Matthew 18:18-20). He will use their prayers in the Spirit to bring new hope and change where things look desolate and discouraging.

Global Prayer and Praise this coming Sunday and Monday

FIND OUT MORE »

This coming Sunday and Monday will be an exciting opportunity to pray and worship with the children and youth of our world!

The heat of the battle is intensifying in our families, churches, and nations. In this critical time of history, we believe a united call to release our children, youth, and families is a key to changing nations. Therefore, we are asking pastors, leaders, educators, and parents to unite, empower, and release the voices of the children and youth in prayer and worship.

Psalm 8:2 Through the praise of children and infants you have established a stronghold against your enemies to silence the foe and the avenger.

Global Prayer and Praise is a collaborative worldwide initiative asking leaders to empower the children, youth, and families of nations to raise their voices together for the release of God's justice. With the participation of various organizations including The International Prayer Council, Children in Prayer, YWAM, IHOPKC, 4/14 Window Movement, Global Day of Worship, Transform World, TheCall, Arise International, and numerous others, we believe this is a God movement.

Jesus said, "Let the little children come to me, and do not hinder them" (Matthew 19:14). Will you let them come?

For 24 hours, on the weekend of April 13 - 14, 2014, there is a worldwide call for all children, youth, and families to unite in prayer and worship of Jesus our Lord. We invite local communities to gather together to pray, knowing that they are joining countless others around the world.

HOW TO PARTNER AND HELP THIS INITIATIVE

Eunice Barruel, Founder and Executive Director www.globaldayofworship.com 001-757-287-1029

We have heard that Egypt, Nepal, Indonesia, Democratic Republic of Congo, the USA and many other nations are participating by holding special events for children and youth. Pray that these many events will be used by the Lord to catalyze children in prayer and tri-generational praying in the nations of the world.

Ukraine Still Needs Our Prayers!

Donetsk, Ukraine (CNN)

Masked men with metal rods and Molotov cocktails prowl the Russian flag-draped balcony, surveying the crowds below. Stacks of tires topped with ribbons

of razor wire line a makeshift barricade around the main entrance. Two days after smashing their way in, hundreds of protesters have transformed this government building in the industrial city of Donetsk, eastern Ukraine, into the self-declared "People's Republic of Donetsk." From the clumsily erected bulwarks to the lack of a leader or concrete plan, the scenes are similar to the pro-European rallies in Kiev's Maidan Square in recent months, with one major difference: Many of these protesters say they want to join Russia and have called for a referendum on secession from Ukraine to be held by May 11...ncalating in Ukraine

Nobody knows for sure what role, if any, Russia is playing in this latest bout of unrest in Ukraine. Acting Ukrainian President Oleksandr Turchynov blames "separatist groups coordinated by Russian special services" for the revolts in eastern Ukraine, which he said echoed events leading to the Russian annexation of Crimea three weeks ago.

Since then, Russia has amassed thousands of troops on its border with eastern Ukraine. And Russia's Foreign Ministry said reports that protesters are facing a crackdown by Ukrainian authorities are of particular concern. "We are calling for the immediate cessation of any military preparations, which could lead to civil war," it said in a statement on its official website.

Please join us in praying for Ukraine during its national crisis.

- 1. Pray that Ukrainian and Western governments will have wisdom, resolve and unity to deal with this crisis strongly and that civil war and possible annexation by Russia can be prevented.
- 2. Pray also that the Russians will back down in the face of Western sanctions and remove their troops that are still massed at the border.
- 3. Let's also include prayer for His Body in Ukraine, that the churches and prayer movement will be united to pray and work together harmoniously. "As goes the Church, so goes the world."

National Day of Prayer USA

The 63rd annual National Day of Prayer, May 1, 2014, will have profound significance for our country. It is an unprecedented opportunity to see the

Lord's healing and renewing power made manifest as we call o n citizens to humbly come before His throne. Our theme for 2014 is One Voice, United in Prayer, emphasizing the need for individuals, corporately and individually, to place their faith in the unfailing character of their Creator, who is sovereign over

allgovernments, authorities, and men. To further

highlight our theme, we've chosen Romans 15:6 as our Scripture for this year: "So that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ."

For the May 1st observances, Anne Graham Lotz, the 2014 Honorary Chairman, wrote a special prayer to be simultaneously read throughout the nation at noon (EDT). This recitation will create a huge wave of prayer. flowing from one coast to the other, illustrating the unity of God's people and acknowledging His dominion over the circumstances facing us. Millions of people will gather to pray at thousands of events facilitated by our volunteer coordinators and people just like you! We hope you'll join with our staff again as we seek to bring more communities than ever before together in prayer. As a way of assisting you, we have assembled a variety of resources that describe how to organize and publicize citywide prayer breakfasts, worship services, and rallies. These materials also present creative ideas geared toward helping individuals and families to establish meaningful devotional times. If you have any questions after reviewing these items, please don't hesitate to contact our NDP staff at (800) 444-8828. We would count it a privilege to lend a hand in whatever manner we are able.

At this crucial time for our nation, we can do nothing more important than pray. Thank you in advance for making this spiritual discipline a personal priority and for standing with us as we encourage others to incorporate prayer in their lives. The Lord has graciously anointed our efforts, empowering them to touch and change many hearts and lives. We look forward to seeing His hand move across our land in exciting ways each May in response to our petitions! In closing, we ask that you prayerfully consider becoming a volunteer in your church or community to lead a National Day of Prayer gathering. May the Lord's peace fill your heart as you rest in Him throughout the days ahead. Quick Links:

Global Call to Pray and Fast for USA

30 April - 1 May 2014

The team behind Australia's National Day of Prayer and Fasting www.nationaldayofprayer.com.au is calling the nations of the world to 48 hours of prayer and fasting for the USA. This period of prayer will take place from 30 April - 1 May 2014. April 30 is America's National Day of Repentance (NDOR) www.dayofrepentance.org while May 1st is the 63rd annual National Day of Prayer (NDP) www.nationaldayofprayer.org celebrated throughout the USA.

Ps Matt Prater said, "April 30 is the 225th anniversary of George Washington's inauguration as a devout Christian president and the 151st anniversary of Lincoln's day of 'humiliation, prayer and fasting' held during the devastating times of the Civil War. The theme for the USA National Day of Prayer on May 1st, 2014 'One Voice, United in Prayer', is taken from Romans 15:6: 'So that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ.' The 2014 theme is all about the need for individuals, corporately and individually, to place their faith in the unfailing character of their Creator, who is sovereign over all governments, authorities, and men."

Dr Graham McLennan from Australia said, "We in Australia believe it is our turn to bless the nation of America through prayer and fasting according to 2 Chronicles 7:14. We join together to pray that God will raise up united prayer as one voice for the USA. We in Australia are grateful for the protection that America gave Australia and the nations of the free world during World War II. The Battle of the Coral Sea led by the USA was the turning point in the Second World War for Australia."

Warwick Marsh from Australia said, "Today we are calling the nations of the world to join in prayer and fasting with our brothers and sisters in Christ in the USA. Last year we had people from 28 nations join with us. This year we are believing for 100 nations to join us in prayer and fasting for the USA."

David Rowsome from Australia said, "The Motto 'In God We Trust' is the foundation for America's success. We thank God for America and pray for the healing of your land and the restoration of your foundations. We are asking God to answer our prayers for transformation in the USA and to inspire the nations of the world to join with us in prayer and fasting for America for 48 hours from April 30th to May 1st 2014."

European Trumpet Call Prayer Conference

June 18-22, Skopje, Macedonia

Here are some prayer concerns from Pastor Venco Nakov who with a team of others is organizing this important event that will focus especially on the Balkan countries:

- 1. Pray that right people from the the Balkans would come.
- 2. Pray that the effect of this European Trumpet Call will have impact on whole of Europe.
- 3. Pray that the Lord will help us to meet all the expenses.
- 4 May the Lord give us wisdom how to do this.

For more information, please contact Venko Nakov vknakov@yahoo.co.uk

Continue to Pray for the Liberation of North Korea

A Korean advocate for the people of North Korea writes: "We do request the prayers of the International Prayer Council for the liberation and healing of North Korea's prison camp population, for the innumerable homeless and starving North Korean orphans and children, and for all of the people of North Korea."

- 1. Pray for the reform or overthrow of the evil, totalitarian regime of Kim Jong Un. Constant propaganda tries to give him, his departed father and grandfather as having god-like status. Pray that the North Korean people will come to know the truth and be able to rise up against this brutal dictatorship.
- 2. Pray for the estimated three-fourths of the population who don't get enough to eat, especially the children. There are many street orphans that no one cares for that also need help.
- For the liberation of the 200,000 estimated prison camp inmates, many of them who are Christians or just suspected for being disloyal to the government. They are normally worked to death or used for medical and other experiments just like the Nazis did.
- 4. Thousands upon thousands of Christians have been martyred by this communist regime since it took over decades ago. Most of them have died without the outside world knowing or caring. They are heroes of the faith. Please pray for the persecuted church in North Korea that it will be protected, strengthened and grow m assively in spite of great hardship.

Peace in South Sudan

To all the Saints around the world. It is with mixed feelings I am writing to you all, the joy of the birth of the newest country of the South of Sudan, and with sadness of what is happening right now in this new country. I feel very strongly that God is calling us, leaders of the faith to take practical steps to bring the true peace of the prince of peace to the situation in the south of Sudan.

- 1. First we will start with 3 days of prayer and fasting.
- 2. Secondly a peace conference.

Our prayer theme: 2 Chronicles 7:14: "if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will

hear from heaven, and I will forgive their sin and will heal their land".

1. Repentance.

Pray that all the Sudanese will come to acknowledge that they have sinned against God.

2. Forgiveness.

Pray that every family that has lost someone will find grace from above to forgive.

3. Reconciliation

Pray that a true reconciliation with God and one another takes place during these times of prayer and fasting.

Pray for a true spirit of unity, that the wall of tribes will come down and a true unity based in Christ Church will take place across the nation of the south of Sudan.

5. Rebuilding a broken nation

Pray that every Sudanese in the south will receive from the Lord a spirit of ownership to build the nation in every aspect of life.

Central African Republic and the Danger of **Genocide**

(CNN) -- U.N. Secretary-General Ban Ki-moon on Saturday warned officials in the embattled Central African Republic not to repeat the mistakes that led to the Rwanda genocide 20 years ago.

In a speech to the country's National Transitional Council in the capital city, Bangui, the leader of the international body also urged the world not to "look away" from the nation's turmoil. "Some say this is a forgotten crisis," Ban said. "I am here to help make sure the world does not forget."

The Central African Republic, a former French colony, plunged into chaos last year after a coalition of mostly Muslim rebels ousted President Francois Bozize. They have since been forced out of power, but Christian and Muslim militias continue to battle for control. Thousands have died during the fighting and 2.2 million people, about half the country's population, are in need of humanitarian aid, according to the U.N. More than 650,000 people are still internally displaced, and nearly 300,000 have fled to neighboring countries in search of refuge...

In 1994, Hutu extremists in Rwanda targeted ethnic Tutsis and moderate Hutus in a three-month killing spree that left an estimated 800,000 people dead. After his visit to the Central African Republic, the U.N. Secretary-General travels to Rwanda for the ceremonies observing the 20th anniversary of the genocide there.

- 1. Please pray for CAR political officials, the African Union-led peacekeeping force, as well as the French forces, to be effective in maintaining order in the country.
- 2. Pray that the Christian and Muslim militias will be moved to lay down their weapons and seek peaceful solutions to their differences.
- 3. Intercede for effective humanitarian relief to half the population needing assistance and that they can return to a normal, peaceful life again soon.

Iraq Prayer Initiative and Other Concerns

A special prayer initiative with an international team is being planned for the last week of May in Baghdad. Please pray for the organizers, the arrangements, participants and the team as preparations are made for His guidance and protection.

Our Iraqi brothers and sisters in Christ need our prayer support for the following as well:

- 1. For the election of the Iraqi parliament by the end of this month.
- 2. Reconciliation between the central & the Kurdish governments.
- 3. Standing against spirit of Islam, bloodshed, Satan worshipping.
- 4. Spiritual hunger to know the Lord among the Iraqi people.
- 5. Support & protection for the believers from a Muslim background. One brother, a young man, was killed in Mosul by his relatives two weeks ago, 12 bullets!
- 6. Reconciliation between believers and collaboration in prayer networking.
- 7. For the Catholic & Orthodox bishops, to be open to the Lord's work through other Christian organizations.

Turkey Still an Unreached Nation that Needs Breakthrough

A Christian worker in Istanbul shares recent news and prayer topics.

Last week we had another great day of outreach in a busy section of Istanbul. Dozens, maybe hundreds received tracts, and dozens heard the gospel clearly presented by our team of over 15 believers. One man became angry after my sketch board presentation,

saying I should leave and not do "missionary" work (a bad word to many) there...

This day, unlike most, we saw a larger percentage of opposition and spiritual blindness, which saddens us. David

1. Let us continue to pray for Turkey for the binding of spiritual forces as well as the weakening of cultural and historical prejudices that blind people to the glory of Christ.

- 2. Pray that the brothers and sisters in Christ will be bold in sharing His truth with the Turks and that there will be many opportunities to do so. May many have dreams and visions of the Lord that open their hearts to know more and become His followers!
- 3. Pray that the united prayer movement in the nation would blossom fully and cover the whole nation in ongoing united and authoritative prayer for His reconcilation of all the peoples of the land and transformation.

Mozambique

Please pray for these issues in this crucial time for the nation:

- 1. The Church in Mozambique should stand in the gap for Mozambicans instead of going along with political ills.
- 2. Pray that Renamo and FRELIMO government make progress in resolving contentious electoral law.
- 3. This is an election year, Mozambicans need peaceful elections.

Praying for the 32 Nations of the World Cup

We are so excited about all the countries that will come to Brazil, what an opportunity! Please pray with us specially for the 32 nations that will come with their teams to play the Football / Soccer World Cup from the 12th of June to the 13th of July in 12 different cities all through our nation. You can see the power point slides here. Thirty two slides, one for each of the nations that will come to the World Cup.

There are different ways you can use this material which contains information and prayer point.

- 1. Share it with as many other prayer warriors as possible
- 2. Use it for specific times of intercession.
- 3. Project it during prayer meetings in your youth group, church, cell group, YWAM base, DTS, etc.
- 4. Print out each slide and put them on the wall in classrooms or prayer rooms, and pray in groups for each of the nations represented by the pictures posted on the walls.
- 5. Share the series on social media networks.

But whatever you do, please pray for these nations and the Brazilian church, as we will be receiving many people from those nations on our

door step. Pray that many international teams will come and help the Brazilian church share the Gospel to all those nations. Note that atleast 8 of these nations are predominantly Muslim, or have a big Muslim segment of their population.

May God bless you as you make yourselves available to intercede for the nations.

Battling Spiritual Darkness in Pakistan

A prayer leader friend focusing on Pakistan writes: "We have been focussing prayer on 8 pir sites in the form of an 8-pointed star with the Uch Sharif shrine (#9) in the middle. All of these shrines are located in Pakistan.

At the beginning of this prayer action the Lord sho wed the following to one

intercessor: "I saw the map of Afghanistan and Pakistan and overit was a huge hand holding an uprooted plant. This plant was extremely ugly, with profuse black, dried up branches and leaves, twisted and matted. But the root was one huge long white taproot...."

There is an ancient, pre-islamic religious, spiritistic root in these nations that has more to do with Hinduism/Buddhism. And there are very powerful pirs, both dead and alive who keep this spiritism

alive. Such pirs, islamic spirit mediums, have a huge influence over political leaders and also empower the Taliban in both Afghanistan and Pakistan. Now is the time for this huge long white taproot to be uprooted by prayer.

- 1. Pray for the Light of the Gospel to penetrate these places and that God will send prayer teams to these sites.
- 2. Pray for the protection, health and growth of local Christians.
- 3. Pray that the power and influence of these pirs and pir sites will be broken over the government and people of Pakistan. May many of the pirs and their followers, including politicians and business people, turn to Christ.

World Weekend of Prayer

We live in a world where over a third of all births in urban areas are not registered, where 61 million primary-aged children are not enrolled in school and where 275 million children witness domestic violence each

year. Through no fault of their own, tens of thousands of vulnerable children live day-by-day without the love and support of others.

The theme of this year's World Weekend of Prayer - held on 7-8 June 2014 - is 'child-friendly communities'. Our desire is to turn to God together in prayer for a change of attitude and action by all communities around the world towards their children.

We're calling on Christians wherever they are that weekend to join us in praying that marginalised children would be loved and protected, that leaders would be wise in creating policies, and that churches would have a heart for children in their communities.

Please be part of this global prayer campaign, which brings together over 140,000 adults and children from 40 countries, praying in 24 languages. It's very powerful when vulnerable children take part in praying for children at risk in other countries, as well as for adults and leaders in their own communities.

At www.worldweekendofprayer.com

you will find various resources, including our resource guide - which I've attached here - plus activities for all ages, a meditation video and a theological reflection. Translated materials will be available in May.

About International Prayer Connect (IPC)

OUR VISION:

"Compelled by God to seek Christ's glory worldwide for the blessing, healing, and transforming of the nations, International Prayer Connect exists as a coalition of prayer networkers and mobilizers working together to motivate, develop and equip national movements and local churches to fill all nations with prayer for the fulfillment of the Great Commandment and the completion of the Great Commission."

HOW WE OPERATE:

The IPC is not an organization as such. We are a fellowship of people involved in mobilizing prayer throughout the world. We function as an international "network of networks", connecting international, regional, and national prayer ministries and networks. We also arrange or support special prayer initiatives that bring prayer leaders together from time to time to pray for matters of regional and global concern to the Body of Christ. Regional prayer summits have been arranged or supported by the IPC in most regions of the world as well as international prayer initiatives for the United Nations, Hollywood, and other issues.

The IPC is led by an international leadership team, now called the International Prayer Council, is composed of twenty leaders who coordinate regional prayer networks or international prayer initiatives of various kinds. We seek to be catalysts and connectors within the global prayer movement towards the fulfillment of Habakkuk 2:14- that "the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."

We do not have an official membership but connect with individuals and networks through *IPC Connections*, a periodical newsletter distributed via e-mail to give prayer information to interested people. Please share this newsletter with prayer coordinators, prayer network leaders, and others who have an interest in the global prayer movement so that they can be informed about different prayer initiatives, existing prayer networks, and how to participate in them.

Donating to IPC Through PayPal

PayPal is an online banking service that can receive donations from over 30 currencies worldwide through automatic draft and credit cards. It is safe and secure. International Prayer Connect is a non-profit ministry funded through the Transformation Prayer Foundation and relies on individual donations to keep the work going.
