Exercising the Authority Given to Us

*Who among the gods is like you, Lord?
Who is like you-majestic in holiness,
awesome in glory, working
wonders?
(Exodus 15:11)*

*Very truly I tell you, whoever believes in
me will do the works I have been doing,
and they will do even greater things than
these, because I am going to the
Father. (John 14:12)*

Dr. Charles Kraft, a former professor of mine who has also become a dear friend and mentor is in his eighties and still going strong in a ministry of healing and deliverance.

UPRISING: Summary Report

Dear Friends and Partners,

August 16, 2016

It has been three weeks since the UPRISING (United Prayer Rising) in Korea, and we are still lingering on all that God has done in the gathering, much more in the journey that led to it. He has been so, so good.

It was such a blessing to see "Davids" from different nations rise up and come against their generation's "Goliaths." It was a delight to see a Psalm 110:3 army of young volunteers lock arms and stand together, united in fighting for the destiny of their generation. Many of those who came were teenagers and the experience of God's touch and a global exposure of other young people also hungry for God was a formula for a spiritual explosion.

ISIS as revealed in their own writings

[Joel Rosenberg](#) in his blog recently issued a sober warning to world leaders to take seriously the intentions of the radical Islamic terror group known as ISIS based on their own very explicit writings in their magazine.

Here is some of what Rosenberg says: "The next President of the United States -- and his or her advisors -- need to carefully study and analyze the **latest issue of *Dabiq***, the full-color propaganda magazine of the Islamic State. So do other world leaders, Members of Congress and Middle East policy-makers. So do you.

Russia Military Maneuvers Signal Possible Full-Scale Invasion of Ukraine

Radio Free Europe reports Russian military forces are carrying out "logistical exercises" in and around the Crimean Peninsula, the Ukrainian Black Sea region that Russia annexed in 2014. The land and naval forces participating in the "exercises" have increased tensions

in the wake of Moscow's accusations earlier this month that Ukraine was plotting "sabotage" attacks in Crimea. Ukrainian President Petro Poroshenko on August 17 warned that he does not rule out "a full-scale Russian invasion" and said that if the situation in the east and around Crimea continues to deteriorate, "we will have to impose martial law and order mobilization." **Note:** Moscow is likely making the calculation that now is the time to invade because they don't expect Obama will respond with more than words and without American leadership NATO is feckless and Ukraine becomes another Russian war trophy.

Robert Maginnisrobertmag73@comcast.net

Let's pray for the Russian bear to back off and for a peaceful better relationship between these two nations.

Prayer Requests for Turkey

From some pastors in the country
A very hot summer in Turkey
The Turkish seashores and coasts are very beautiful. If you were to visit you would fall in love with them. Generally, in Turkey, the weather is very hot in

summer, especially on the coasts where some of our churches are. However, this year we have been "feeling the heat" of the political situation and not just the weather. As you may know, on July 15th there was a coup attempt in Turkey. This attempt caused the death of at least 294 people and 15.000-20.000 people have been arrested so far.

IRAQ-SYRIA UPDATE

Up to 400,000 may have been killed in the ongoing Syrian civil war. Iraq also continues to be in chaos because of the war against ISIS there. Please pray for an end to the awful war going on in these countries and that all parties to the conflict within the region and outside of it will come together to make peace. Pray especially that Russia and the USA will come to agreement about securing a cease-fire. Pray for those in the war zones, especially families and their children that they will be protected from being used as fighters and suicide bombers.

Something better for Asia!

Rev Gloria Au Yeung
(HK China/ NE Asia
Coordinator, IPC)

"Of whom the world was not worthy...And these all, having obtained a good report through faith, received not the promise, God having provided **some better thing for us, that they without us should not be made perfect**" (Hebrews 11:38-40).

After 2000+ years of the Gospel, as the clicking of the end-time clock is counting down, I believe Asia will be playing an increasing pivotal role for the fulfillment of the Great Commission and preparation for the King of Glory's return. The strong corporate vision of the *Back to Jerusalem* movement that began in mainland China to take the gospel to the Muslims and other peoples across Central Asia, the Middle East, and finally back to Jerusalem is now going even more strongly and rapidly.

Linking Prayer and Mission: International Prayer Leaders' Gathering at Hermhut,

May 8-12, 2017

Good things happening in the U.S. Congress!

By Dan Cummins, Associate Pastor of Skyline Church in San Diego and convening pastor of "The Jefferson Gathering" worship services in the US Capitol.

"Do I believe America is in a period of judgement? Yes! Most definitely. God has given us over to our selfish desires. Yet the biblical pattern for national revival is almost always preceded by a time of judgment. "The judgments of the Lord are true and righteous altogether."

Silver Medal Winners Give Glory to Christ

By [Michael Ware](#) August 9, 2016

It is not an unusual thing to hear athletes giving praise to God when things go well. Many professionals are now in the habit of pointing up after they make a good play. A wide receiver out runs a group of defenders, and as they cross the goal line, he points to the sky.

But would it not be weird if, then in like manner so did the defenders? People would have been shocked if Cam Newton had done a post-game interview after the Super Bowl, in which he gave Christ the glory for coming in second.

But the equivalent happened last night in Rio, and it was awesome. Town Hall reports

A golden moment took place alongside the Rio Olympic diving boards Monday night. The Chinese team of Chen Aisen and Lin Yue may have taken first place, but U.S. divers David Boudia and Steele Johnson stole the spotlight in their NBC interview by giving all the glory to God after their silver medal-winning performance.

But it is not the medal for which Boudia was giving praise. No, he was giving praise for the fact that he could stand on that international stage with the full assurance that his identity and worth was not found in his sport or accomplishments. He said that his identity was found in Christ. His teammate quickly restated the reason they could compete without fear. It was that they found their worth in Christ and not the event or its outcome. They find their worth in Christ and not in themselves or their accomplishments.

When we get to this point, it is a freeing thing. Not worries about others' opinions. No worries about failure. Just rest and confidence. A man once said that if you want to draw a crowd, then set yourself a fire for Jesus and the world will come to watch you burn. These young men lit their match last night and the world watched.

Seeking God's Face for the Deliverance and Destiny of America: An Invitation to the National Prayer Assembly, October 27-28, 2016, Washington, D.C.

Dear Prayer and Ministry Leader,
You are invited to
an assembly of national prayer,
denominational, and kingdom network
leaders from across the nation.

America is at a historic crossroads
with growing threats within and
without. It is a tumultuous election
year and an absolutely pivotal time in our history. A dysfunctional and
divided government has become increasingly ineffectual in dealing with our
growing national problems, including a \$19 trillion debt hanging over our
heads. In addition, our society is becoming progressively more apathetic
and cold to the things of God. Surely, we need a new Great Awakening to
turn America around.

The IPC Website

The IPC website is part of a hub that aims to equip and inform the Church worldwide. We run it as a service to our partner organisations and ministries to help them to publicise their prayer alerts, news, events and resources. We would invite you to get involved.

If you have:

1. News / Events: news of international prayer-related interest such as upcoming initiatives and conferences
2. Regional Prayer Requests: strategic prayer requests and alerts for your nation or region
3. Resources: teaching articles, media or testimonies

... we can, in most cases add them to the website. Please send copy along with images and hyperlinks to any existing online content that we can point people to for further information.

Articles for inclusion should be submitted to the IPC administrator at office@ipcprayer.org.

About International Prayer Connect (IPC)

OUR VISION:

"Compelled by God to seek Christ's glory worldwide for the blessing, healing, and transforming of the nations, International Prayer Connect exists as a coalition of prayer networkers and mobilizers working together to motivate, develop and equip national movements and local churches to fill all nations with prayer for the fulfillment of the Great Commandment and the completion of the Great Commission."

HOW WE OPERATE:

The IPC is not an organization as such. We are a fellowship of people involved in mobilizing prayer throughout the world. We function as an international "network of networks", connecting international, regional, and national prayer ministries and networks. We also arrange or support special prayer initiatives that bring prayer leaders together from time to time to pray for matters of regional and global concern to the Body of Christ. Regional prayer summits have been arranged or supported by the IPC in most regions of the world as well as international prayer initiatives for the United Nations, Hollywood, and other issues.

The IPC is led by an international leadership team, now called the International Prayer Council, is composed of twenty leaders who coordinate regional prayer networks or international prayer initiatives of various kinds. We seek to be catalysts and connectors within the global prayer movement towards the fulfillment of Habakkuk 2:14- that *"the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."*

We do not have an official membership but connect with individuals and networks through *IPC Connections*, a periodical newsletter distributed via e-mail to give prayer information to interested people. Please share this newsletter with prayer coordinators, prayer network leaders, and others who have an interest in the global prayer movement so that they can be informed about different prayer initiatives, existing prayer networks, and how to participate in them.

Donating to IPC Through PayPal

PayPal is an online banking service that can receive donations from over 30 currencies worldwide through automatic draft and credit cards. It is safe and secure. International Prayer Connect is a non-profit ministry funded through the Transformation Prayer Foundation and relies on individual donations to keep the work going.
