A Message of Awakening the Church:

The Lord Reigns Over All The Nations.
 "I am, that I am, the God of the Nations"

"Whom shall I send? And who will go for us?"

By Onassis Jeevaraj, IPC Leadership Team member from India

The awakening of the Church is not new but has been happening as a pre-cursor to every radical move of God. It has always come to wake up the Church - His body to the truth of the Kingdom and the move of God in that season. The message for each awakening has been strategic for each move and pivotal to the Kingdom of God manifesting on earth as it is in heaven.

Contending For Global Harvest

God is stirring the prayer movement in His global Church like never before. The Holy Spirit is taking us higher in the spirit of prayer. The Great Commission Prayer Summit is a gathering, in an unreached nation, with 150-200 others hungry to partner with God in

contending for global harvest in this strategic hour. Our overarching objective is listening to His heart and growing in effectively aligning in intercessory prayer toward the fulfillment of the Great Commission. We will receive His impartation to multiply the spirit of prayer for global harvest in our home churches and ministries.

International Prayer Leaders Consultation, Herrnhut, Germany, May 8-12, 2017

If you are a prayer or mission network leader or coordinator at the national, regional or international level, you are invited to this intimate and dynamic

gathering of prayer network leaders along with those who are leading cutting-edge mission efforts. It will be an encounter with the Lord and one another to listen, learn, pray and connect. We hope to better coordinate the relationship of the prayer and mission movements, work together to raise up the next generation through the youth and children's movements, and better understand the role of united, authoritative prayer for the transformation of the nations in our day.

Since accommodations at Herrnhut, the original Moravian center for prayer and mission, are quite limited, the number participating will be 120. If need be, we can flex to a maximum of 150. Here is the invitation for those who meet the above criterion of prayer or mission network leadership. We hope you can be with us for this world-impacting time in His presence!

This consultation is being arranged by the International Prayer Council and associated International Prayer Connect networks with the administrative help of the Light of the World Prayer Center. For more information, please see our website www.prayerandmission.com. To apply to take part, please contact our administrator, Jamie Frey- jamiefrey@lowpc.org

Jakarta's Christian governor to face blasphemy trial over Islam insult claim | World news | The Guardian

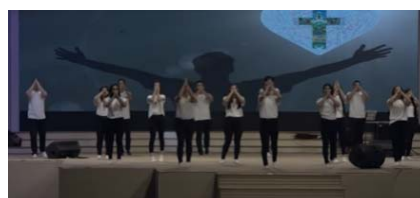

<https://www.theguardian.com/world/2016/nov/16/jakarta-christian-governor-to-face-blasphemy-trial-over-islam-insult-claim>

Please pray for "Ahok", the first Christian political leader who has done so much good for the city of Jakarta and is widely admired. May he be vindicated from the false charges that have been brought against him and may the transformation of the capital and Indonesia through God's praying people there continue!

Praying with the Iraqis: Christ Day

The Christ Day in Iraq, Friday November 18th, went very well, actually much better than expected. Though it is in Arabic, you can watch a small report here to get an idea of what a triumph it was to get so many from different Christian traditions together along with many refugees and others from non-Christian backgrounds.

Prayer for Peace Initiative for Syria and Iraq

The time of prayer, November 10-12, with local people in Lebanon and four Syrian prayer group leaders from Damascus that ventured out to be with us was anointed and special. The great majority of them had never been exposed to transformational praying.

Report and call to prayer for Israel

1) November initiative for the development of a united prayer movement

Lisa Loden and Evan Thomas, two Messianic Jewish leaders with a heart for the unity of His Body sent this report about the gathering of ministry leaders in Netanya on Friday November 4th:

"Although the numbers were relatively small, this first initiative was very productive. The 12 local participants included both Messianic and Israeli Arab Christian leaders from Jerusalem, Galilee and central Israel. John Robb (USA) and Brian Mills (UK) provided us with an excellent foundation for "Transformative Prayer."

Do not refuse Him who speaks (to you)!: Report from a worldwide ministry of awakening God's people

Hebrews 12:25

"Wake up! Strengthen what remains and is about to die, for I have not found your deeds complete in the

sight of my God. Remember, therefore, what you have received and heard; obey it, and repent" (Rev. 3:2-3).
 BELOVED BRETHREN,
 God's word is timeless, i.e. it is valid for all times. But some of HIS words receive special weight when they are spoken into specific, pre-ordained periods of time in order to encourage, warn, prepare and if necessary to turn around; such a word also indicates the consequences of neglecting it.

Awaken the Dawn: Geneva 2016

From the 27th to 30th of October this year we had a remarkable gathering in Geneva of the European 24-7 Prayer family. There were over 470 people gathered from about 26 different nations and many tribes and tongues from God's church were represented. Highlights of the conference included praying together in unity for a move of

God across Europe, worshipping together in different European languages and hearing testimonies of how God is at work across our continent.

Praying for a New Beginning for Kabul and Afghanistan

(from a Christian worker friend living in Kabul)

"Every city is different, Paris, New York, Berlin, etc, almost like the powers and principalities over it control it, and they must fall. Daniel talks about the Prince of Persia. Anyway here is a short history of Kabul. For those who take the time to read it, it is interesting, and shows a lot of death, etc. Interestingly legends say Cain is the founder of the city, and is buried here."

The IPC Website

The IPC website is part of a hub that aims to equip and inform the Church worldwide. We run it as a service to our partner organisations and ministries to help them to publicise their prayer alerts, news, events and resources. We would invite you to get involved.

If you have:

1. News / Events: news of international prayer-related interest such as upcoming initiatives and conferences
2. Regional Prayer Requests: strategic prayer requests and alerts for your nation or region
3. Resources: teaching articles, media or testimonies

... we can, in most cases add them to the website. Please send copy along with images and hyperlinks to any existing online content that we can point people to for further information.

Articles for inclusion should be submitted to the IPC administrator at office@ipcprayer.org.

About International Prayer Connect (IPC)

OUR VISION:

"Compelled by God to seek Christ's glory worldwide for the blessing, healing, and transforming of the nations, International Prayer Connect exists as a coalition of prayer networkers and mobilizers working together to motivate, develop and equip national movements and local churches to fill all nations with prayer for the fulfillment of the Great Commandment and the completion of the Great Commission."

HOW WE OPERATE:

The IPC is not an organization as such. We are a fellowship of people involved in mobilizing prayer throughout the world. We function as an international "network of networks", connecting international, regional, and national prayer ministries and networks. We also arrange or support special prayer initiatives that bring prayer leaders together from time to time to pray for matters of regional and global concern to the Body of Christ. Regional prayer summits have been arranged or supported by the IPC in most regions of the world as well as international prayer initiatives for the United Nations, Hollywood, and other issues.

The IPC is led by an international leadership team, now called the International Prayer Council, is composed of twenty leaders who coordinate regional prayer networks or international prayer initiatives of various kinds. We seek to be catalysts and connectors within the global prayer movement towards the fulfillment of Habakkuk 2:14- that *"the earth will be filled with the*

knowledge of the glory of the Lord as the waters cover the sea."

We do not have an official membership but connect with individuals and networks through *IPC Connections*, a periodical newsletter distributed via e-mail to give prayer information to interested people. Please share this newsletter with prayer coordinators, prayer network leaders, and others who have an interest in the global prayer movement so that they can be informed about different prayer initiatives, existing prayer networks, and how to participate in them.

Donating to IPC Through PayPal

PayPal is an online banking service that can receive donations from over 30 currencies worldwide through automatic draft and credit cards. It is safe and secure. International Prayer Connect is a non-profit ministry funded through the Transformation Prayer Foundation and relies on individual donations to keep the work going. If you are willing to provide support, please click below. Thank you for your sacrificial gift to IPC! [Click Here to Donate](#)
