INTERNATIONAL
PRAYER
CONNECT

Three Key Interrelated Missions

In our last Connections, I updated you on the magnificent time many prayer and mission leaders had together at Herrnhut in early May. It was truly a life and ministry-changing event as we later heard from so many.

[Read More](#)

Would you please, therefore, join us in praying for the continued convergence of these three prayer and mission thrusts that are already being so greatly used of the Lord to bless our world? How can we increasingly flow together for maximum impact? How can these efforts be effectively coordinated and synergized for the greater purposes of God and the benefit of all!

Awakening Europe in Prague: Pray for a New Reformation

**JUNE 29 - JULY 2
TIPSPORT ARENA,
PRAGUE, CZECH REPUBLIC**

"Even though it's one of the most beautiful cities in the world outwardly, to my heart it seemed like Nineveh, caught in the valley of decision - not knowing where to go. There are many cities like it all across Central Europe and now it's the church's time to enter the valley and show them the way out.

Please join in prayer for a mighty work of the Spirit in the city of Prague, the Czech Republic and throughout Europe, bringing His revival and breakthrough so that indeed there may be a "New Reformation"!

Afghanistan: Lord, Bring down the Wicked!

Afghanistan is perhaps the most challenging prayer and mission situation on earth? Recently, the Taliban or some other terrorist group attacked some of the Christian workers, killing a key German woman and kidnapping a young Finnish woman, both of whom were lovingly risking their lives to serve the Afghan people.

[Read More](#)

Please include the 'Butcher of Kabul' always in prayer till he gets dealt with, besides the other terror groups like Taliban, IS and the Haqqanis."

Let's pray now in the same way for the Lord to bring down the wicked and especially this horrifically evil terrorist, Gulbuddin Hekmatyar.

Pray also for the release or rescue of those who have been kidnapped and for the protection over other brothers and sisters in Christ, both expatriates and Afghan who are living and serving there.

Pray for the unity of the Afghan government and for the government of the USA as it plans to commit another 4000 American troops to the battle against the Taliban and other such terrorist groups. May they have victory and may the terrorist groups be thrown into utter confusion and division, fighting against each other until they give up their struggle to take over the nation and institute the awful tyranny sharia law again.

Australia: Pray for the Protection of Marriage

We need you prayers at this time here in Australia. Please pass this important Call for Prayer & Fasting 1 - 3 July 2017 for Australia and for the preservation of Marriage in Australia.

Nigeria Needs Our Prayers!

My country, Nigeria, is currently at the crossroads and heading towards the precipice. I covet your fervent prayers and that of other praying brethren all over the world to avert the impending doom and violent breakup of Nigeria and another pogrom of my people (the Igbo ethnic group) from Southeastern part of Nigeria who are mostly Christians and are living all over Nigeria. We have been given quit notice by the Northern Muslims to leave the Northern part of Nigeria before 1st October, 2017 (which happens to be Nigeria's Independence Day).

Please, join me to pray for my beloved country, Nigeria, in line with Isaiah 60:18-"Violence shall no more be heard in thy land (Nigeria), wasting nor destruction within thy borders; but thou shalt call thy walls Salvation, and thy gates Praise".

Thank you and God bless you.
Yours in the service of the Most High,
Dr Chikwerem Obi.

The Crucial Connection between United Prayer and Mission

These all with one mind were continually devoting themselves to prayer, along with the women, and Mary the mother of Jesus, and with His brothers. - Acts 1:14

The Book of Acts is one of the most fascinating studies of the efficacy of prayer in all of Scripture. Luke's account of the birth and growth of the early church gives us insight on what was to become a priority in their development; what worked and what didn't. One of the activities that worked was prayer . . . continual prayer, a lesson I fear that has been lost in much of today's church.

North Korea: Growing Security Threat

Robert Maginnis who once was a Pentagon insider has helped guide our prayers about security issues. Here is his analysis about some of the hot spots of our world:

[Read More](#)

Pray that a peaceful way will be found to bring the North Korean

regime to denuclearize their country and avoid all out military conflict with the U.S. and South Korea. War that would result in possibly hundreds of thousands dying in the two Koreas is unthinkable.

Syria and Iraq: The Continuing Struggle against ISIS

Syrian rebels close to victory over ISIS in

Raqqah. The *Atlantic* reports

Syrian Democratic Forces (SDF) could be days away from victory over ISIS in Raqqah. The SDF, a group of Kurdish and Arab fighters backed by the U.S., have captured a number of key areas near Raqqah.

Pray for the conquest of ISIS and the remnants of its forces in both Syria and Iraq. Pray that its leaders will be apprehended and brought to justice for their horrific crimes against humanity. Pray that both nations will return to peace and that the needs of those millions whose lives have been disrupted my find that good, especially coming to know Jesus Christ, will come out of the appalling evil and trouble they have experienced.

Russia's Aggressive Moves

Russia threatens power grids with cyber weapon

. The *Washington Post* reports hackers allied with the Russian government have devised a cyber-weapon that has the potential to be the most disruptive yet against electric systems that have the potential to disrupt all American lives.

Finishing The Task!

The Finishing the Task initiative is helping to coordinate the final push to share Christ's Good

Finishing the Task

News with the last unreached peoples. Would you please consider adopting one of these people groups and beginning to pray for them until they are reached? It will make a huge difference because Jesus told us to "pray the Lord of the harvest that He would send forth laborers" into the harvest.

Please find attached the current focus list of the unengaged, unreached people groups being promoted by the FTT network on the attached website with other helpful information. If you have any questions please contact:

Joshua Project at joshuaproject.net also has much helpful information about adopting an unreached group and offers a good number of prayer profiles for this purpose.

Peacemaking Power of Prayer

Religious leaders have achieved a truce between rebel groups in the Central African Republic through a 'spiritually inspired' method.

JUNE 20, 2017 -One of Africa's worst conflicts may have finally ended through a rare type of diplomacy. On June 19, more than a dozen armed groups in the Central African Republic signed a peace accord. Yet they did not do so through an official negotiator. Rather a religious group in Italy used what it calls a "spiritually inspired" method - building empathy and compassion - to help forge a truce.

Let us rejoice that united prayer can be used of the Lord to heal conflicts and begin to pray for those areas of the world where there are ongoing conflicts.

Silent Coup Attempt to Overturn a Sitting President?

'An attempt to overturn November's election and forcibly remove a duly elected president'
<http://www.wnd.com/2017/06/new-warning-resistance-turning-into-american-coup/>

Please pray that the human and spiritual forces of division and hate will be bound and overthrown in the USA and that the institutions of government and the media will serve the American people honestly and fairly.

Pray with Hong Kong!

As our whole city of HK is celebrating the 20th anniversary of returning to China, many wonderful historical things are fall unto place at the same time! Yet, July 1 is indeed a new era for our City as our new Chief

Executive is inaugurating into the 5th Special Administrative Regional Government for China. President Xi will also be coming HK this week and we are now greatly mobilising our city to pray like never before to turn the enemy's scheme of dividing Hong Kong from China into something godly.

Gloria Au Yeung
 Kingdom Harvest Ministries

Please pray for the overthrow of division and any violent demonstrations being planned; that the Gospel of Christ will touch the public officials and all the different classes and occupational groups,

especially the younger generation; and that Hong Kong will indeed enter into its destiny to be a great blessing to the world!

The IPC Website

The IPC website is part of a hub that aims to equip and inform the Church worldwide. We run it as a service to our partner organisations and ministries to help them to publicise their prayer alerts, news, events and resources. We would invite you to get involved.

If you have:

1. News / Events: news of international prayer-related interest such as upcoming initiatives and conferences
2. Regional Prayer Requests: strategic prayer requests and alerts for your nation or region
3. Resources: teaching articles, media or testimonies

... we can, in most cases add them to the website. Please send copy along with images and hyperlinks to any existing online content that we can point people to for further information.

Articles for inclusion should be submitted to the IPC administrator at office@ipcprayer.org.

About International Prayer Connect (IPC)

**OUR VISION:**

"Compelled by God to seek Christ's glory worldwide for the blessing, healing, and transforming of the nations, International Prayer Connect exists as a coalition of prayer networkers and mobilizers working together to motivate, develop and equip national movements and local churches to fill all nations with prayer for the fulfillment of the Great Commandment and the completion of the Great Commission."

HOW WE OPERATE:

The IPC is not an organization as such. We are a fellowship of people involved in mobilizing prayer throughout the world. We function as an international "network of networks", connecting international, regional, and national prayer ministries and networks. We also arrange or support special prayer initiatives that bring prayer leaders together from time to time to pray for matters of regional and global concern to the Body of Christ. Regional prayer summits have been arranged or supported by the IPC in most regions of the world as well as international prayer initiatives for the United Nations, Hollywood, and other issues.

The IPC is led by an international leadership team, now called the International Prayer Council, is composed of twenty leaders who coordinate regional prayer networks or international prayer initiatives of various kinds. We seek to be catalysts and connectors within the global prayer movement towards the fulfillment of Habakkuk 2:14- that *"the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."*

We do not have an official membership but connect with individuals and networks through *IPC Connections*, a periodical newsletter distributed via e-mail to give prayer information to interested people. Please share this newsletter with prayer coordinators, prayer network leaders, and others who have an interest in the global prayer movement so that they can be informed about different prayer initiatives, existing prayer networks, and how to participate in them.

Donating to IPC Through PayPal

PayPal is an online banking service that can receive donations from over 30 currencies worldwide through automatic draft and credit cards. It is safe and secure. International Prayer Connect is a non-profit ministry funded through the Transformation Prayer Foundation and relies on individual donations to keep the work going. If you are willing to provide support, please click below. Thank you for your sacrificial gift to IPC! [Click Here to Donate](#)
