The Value and Impact of Triplet Praying

Last month, we featured an article on the explosive impact that Triplet Prayer had in the UK as recounted by Brian Mills. During the last week or so as those of us on the National Prayer Assembly team here in the USA pray and think through a national strategy for the prayer movement, the idea of encouraging prayer triplets has come front and center.

Last Call for the International Prayer and Mission Leaders Consultation, May 8-12, 2017

Dear Prayer or Mission Leader, We have almost reached our full registration for the Herrnhut consultation in May. There are some places still left for those who lead prayer networks or mission endeavors. You are invited to a special time of convergence as key ministry leaders gather from around the world! We want to more closely and effectively connect the prayer and mission movements for the final push to the accomplishment of Matthew 24:14, that everyone may hear and "that the Lamb may receive the due reward for His suffering."

North Korea

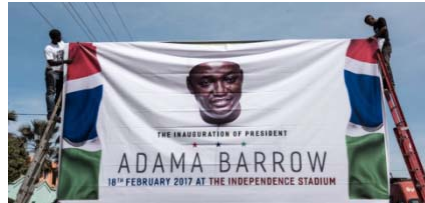

New Year's Day (both solar and lunar) has come and gone and with it, Kim Jong Un's New Year's Address. Here is a link to the full text for anyone who is interested in wading through it all. A few highlights: As expected, he emphasized his nuclear program, vowing to strengthen its capabilities and issued a number of warnings to the West. He also emphasized agricultural development but without any real recognition of reality and what is needed.

GAMBIA: THE TRIUMPH OF CORPORATE PRAYERS

Not all have been heard or written about what led to the smooth exit of Yahya Jammeh, the erstwhile President of the nation of Gambia, who ruled the tiny African country for twenty-two years, from 1995. The peaceful exit of Yahya Jammeh still remains a surprise in a continent known for turbulent elections and "sits tight" presidents.

GROUND FORCE AND AIR FORCE UNITE: ADVOCATES INTERNATIONAL PRAYER INITIATIVE APPEAL

One of the most powerful combinations for the transformation of our nations is that of prayer and advocacy. Lawyers when filled with the Spirit of God and backed by the prayers of intercessors can do almost anything! Please consider this appeal for a large international coalition of about 30,000 Christian lawyers who are working on issues that will affect us all. They deeply need our prayers for the vital work they are doing. Here is their request for our support:

Planned Parenthood insider: Women treated 'like cattle'

"Abortion-industry giant Planned Parenthood "treated women like cattle," according to a former insider. The comment came on Tuesday as part of the release of more videos from the pro-life group Live Action, whose president, Lila Rose, is raising various issues about what she calls the "Abortion Corporation" just as Congress is considering transferring some \$500 million in taxpayer funds from the abortionists at Planned Parenthood to other community health centers that provide a wide range of health services.

Global Witchcraft Effort to Target President Trump

Thanks to the prayers of many within the USA and many of you around the world, we have experienced a divine turnaround and made a U-turn at the cliff in our recent national election. America looked like it was in for even greater decline, but the Lord has had mercy and given us a reprieve. Many in the prayer movement here now feel that though Donald Trump certainly has some rough edges in his personality, he could well be a "Cyrus", bringing our country back from the brink and opening the way to national restoration and hopefully as we pray the nation may experience a spiritual revival.

Taliban Leader: A Terrorist to Pray About

From a humanitarian worker who focuses on Afghanistan: "This is Hibatullah Akhundzada is a hardline religious scholar from Kandahar. He is the leader of the Taliban. We should target him in our prayers."

Let's pray that he will repent of his awful atrocities against the people of Afghanistan and hopefully come to faith in Christ, or be stopped in some other way from causing further harm and disruption of the nation. Pray that other wicked Taliban leaders will be brought down as well. Some former Al Qaeda and Taliban have come to faith in Christ and are evangelizing their people now so it is possible

Pray for Egypt and Protection of Christ's people

Issues for Fervent Prayer in Nigeria

"Almost nobody knows what's happening to the Christians of Nigeria-but even fewer care. Here's why we should. In Nigeria, which is Africa's most populous country, Christians don't have time to worry about culture wars. They're too busy facing a real one instigated by their Muslim neighbors and by a government that has studiously decided to look the other way. The scope of the violence is so vast as to be almost beyond belief, so let me first give you a snapshot of what's happening on the ground.

The IPC Website

The IPC website is part of a hub that aims to equip and inform the Church worldwide. We run it as a service to our partner organisations and ministries to help them to publicise their prayer alerts, news, events and resources. We would invite you to get involved.

If you have:

1. News / Events: news of international prayer-related interest such as upcoming initiatives and conferences
2. Regional Prayer Requests: strategic prayer requests and alerts for your nation or region
3. Resources: teaching articles, media or testimonies

... we can, in most cases add them to the website. Please send copy along with images and hyperlinks to any existing online content that we can point people to for further information.

Articles for inclusion should be submitted to the IPC administrator at office@ipcprayer.org.

About International Prayer Connect (IPC)

OUR VISION:

"Compelled by God to seek Christ's glory worldwide for the blessing, healing, and transforming of the nations, International Prayer Connect exists as a coalition of prayer networkers and mobilizers working together to motivate, develop and equip national movements and local churches to fill all nations with prayer for the fulfillment of the Great Commandment and the completion of the Great Commission."

HOW WE OPERATE:

The IPC is not an organization as such. We are a fellowship of people involved in mobilizing prayer throughout the world. We function as an international "network of networks", connecting international, regional, and national prayer ministries and networks. We also arrange or support special prayer initiatives that bring prayer leaders together from time to time to pray for matters of regional and global concern to the Body of Christ. Regional prayer summits have been arranged or supported by the IPC in most regions of the world as well as international prayer initiatives for the United Nations,

Hollywood, and other issues.

The IPC is led by an international leadership team, now called the International Prayer Council, is composed of twenty leaders who coordinate regional prayer networks or international prayer initiatives of various kinds. We seek to be catalysts and connectors within the global prayer movement towards the fulfillment of Habakkuk 2:14- that *"the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."*

We do not have an official membership but connect with individuals and networks through *IPC Connections*, a periodical newsletter distributed via e-mail to give prayer information to interested people. Please share this newsletter with prayer coordinators, prayer network leaders, and others who have an interest in the global prayer movement so that they can be informed about different prayer initiatives, existing prayer networks, and how to participate in them.

Donating to IPC Through PayPal

PayPal is an online banking service that can receive donations from over 30 currencies worldwide through automatic draft and credit cards. It is safe and secure. International Prayer Connect is a non-profit ministry funded through the Transformation Prayer Foundation and relies on individual donations to keep the work going. If you are willing to provide support, please click below. Thank you for your sacrificial gift to IPC! [Click Here to Donate](#)
